Why the Explorers Class?

The Explorers Class was added to lengthen a child's day of learning. The children are sent from their morning class to the Explorers Class at 11:15 am.

Children are given 20 minutes of "free time" with their friends outside (weather permitting) or in the classroom. After lunch, the rest of the afternoon is filled with enrichment activities to help students prepare for Kindergarten.

Children will explore areas including math, literacy, science, arts, and social skills with hands-on materials, songs and games.
